MODULE 10
SALARIES AND WAGES

Learning Outcomes		Assessment Standards	
LO 3	**MANAGING RESOURCES** The learner is able to demonstrate knowledge and an understanding of the use of different financial and managerial control tools and strategies to manage resources in a responsible manner.	3.2 3.5	Explain salary and wage scales and different contributions and record in the journals and ledger. Demonstrate knowledge of internal control processes.
INTEGRATION:			
LO 1	**FINANCIAL INFORMATION** The learner is able to demonstrate knowledge, understanding and the application of financial information according to generally accepted accounting practice and concepts.	1.2	Within the context of accounting cycle, identify and complete source documents, record the information in the journals, post to the ledgers and draw up a trial balance of a sole trader.

Prior learning: Understanding of the differences between wages and salaries and recording these in the Cash Payments Journal

NOTE TO THE EDUCATOR:

The purpose of this module is to expose learners to salaries and wages. This topic was introduced in grade 8 & 9 but is now going to be expanded on. The following topics are to be covered:

- Salary and wages scales.
- Employment contracts and legal requirements.
- Deductions and contributions.
- Recording of salaries and wages.
- Internal control.

TASK 10.1 ☺

[LO 3; AS 3.2]

NO.	YEAR	INCREMENT P.A.	SALARY P.A.	SALARY P.M.
10.2.1	1		R78 000	R6 500
	2	R9 360	87 360	7 280
	3	9 360	96 720	8 060
	4	16 926	113 646	9470.50
	5	16 926	130 572	10 881
	6	19 428	150 000	12 500
10.2.2	1		120 000	10 000
	2	18 000	138 000	11 500
	3	18 000	156 000	13 000
	4	18 000	174 000	14 500
	5	34 800	208 800	17 400
	6	41 760	250 560	20 880
	7	41 760	292 320	24 360
