1.8.5 Note to teacher:
Allow learners time to share their ideas and explore their own opinion. However, ensure that they justify their opinion and ideas with sound, logical reasoning.

Suggestion: Allow students who are struggling with this concept to draw their own diagram using drawings, pictures from magazines or the internet to demonstrate this concept.

Suggestion; Groups can work on a poster to show in picture format the journey of a cheque or a dishonoured cheque or a credit card purchase and pin them up on your classroom wall.
