TASK 7.10

 group work  discussion [LO 1; AS 1.1]

7.10.1 If you pay your account within 30 days you will receive a discount of 10% - this means you will pay less.

7.10.2 To encourage the debtors to pay their accounts quickly – so they do not have to wait for payment.

7.10.3 Discount allowed is given when the debtor pays his account. Trade discount is a reduction in price given at the point of purchase – either because they are having a special, you are a good customer or it could be a bulk discount.

7.10.4 Accounting equation – discount allowed will be an expense.
Debtors ledger – reduce the debtor's account with the discount.
General ledger – open a discount allowed account – expense account.

TASK 7.11

  group work [LO 3; AS 3.5]

The purpose of this task is for the learners to conduct a research in their communities to discover how credit is managed and the effects this can have on their economy. Report backs could be to the whole class or pair 2 groups off together and they can share their experiences with each other.
It is important that learners are aware of the fact that this is not just something that takes place in a textbook but is all around them.
