U/15A Rugby 2008
Captain: Cameron Opperman
Vice Captain: Siphatho Qinisile
Coach: Allan Miles
Backline Coach: Phiwe Nomolomo

The U/15A team had a great season, playing 14 games winning 12, drawing 1to Grey P.E. (home) 7-7, and losing 1 to Grey Bloem (away) 10-26. This year's team was a well balanced team and did not have many weaknesses. Our strength was our defence; having had only 12 tries scored against us during the season. We competed well at the breakdown and won the collisions. One of our weaknesses was our lack of execution from the lineout.

The forwards managed to get the upper hand on most of their opponents. The draw against Grey PE proved the importance of having a strong scrum at school boy level. Our lineout work proved to be the biggest challenge during the season. New jumpers learning to jump for the first time, has become a common occurrence at this level. The team was grateful for the lineout session provided by Bruce Cummings a former Border Bulldog's player.

The backs developed as the season progressed. Phiwe Nomolomo did an outstanding job working with them. They will with no doubt move to the open division with a solid foundation. The final halfback combination of Opperman and Lundersted was unfortunately disrupted due to injury. Lundersted broke his arm scoring against Queens. Many would have fancied our chances even more against Grey PE if this combination had been intact.

There were many highlights in the season. Our wins against Cambridge (away) and Queens (home) would go down as the teams better performances during the season. Emihle Baneti (left wing), who was the top try scorer, scored 19 of the 85 tries scored by the team. The draw against Grey PE would stick out as one of the moments of the season.

The U/15 age group on a whole is an extremely talented group. There were many players who played in the B-team who would have played A-team at another school. With an average weight of 76kg and height of 1.76m it is the biggest U/15A team to have come through the age group in my time involved at this level. There is no doubt that this team will leave its mark in Selborne's rugby history. I wish them well and I look forward to watching their progress. I would like to thank the boys for all their hard work and for leaving their legacy…
